KICTeam Expands Cleaning Card Expertise to Canada

Canada to supply local partners with patented Waffletechnology cleaning cards

Auburn, ME., March 17, 2011 – KICTeam is proud to announce the opening of [KICTeam Canada](#), which will supply technical [cleaning cards](#) to all Canadian provinces. This new Canadian office will offer localized support, with centralized Canadian warehousing providing coast to coast logistics, to better serve cleaning card customers on a more comprehensive scale.

“Due to a substantial increase in demand and awareness for this [cleaning card](#) product, we have identified a need to serve Canadian distribution partners from a state of the art distribution and support center.” said Andrew McGowan, Managing Director of KICTeam Canada. “Our cleaning card products ensure various industries (including hotel, transportation, banking, airline, retail and many more) can provide fast and efficient transaction services to their customers.” For more information please visit www.cleaningcard.ca.

“The opening of KICTeam Canada marks another step in our ever-growing world-wide expansion.” says Peter Klein, CEO of [KICTeam](#). “We are extremely pleased to have a new partner dedicated to educating the market on the importance of cleaning cards and equipment maintenance.”
