**Maintain Sharp Images on Panini Check Scanners***By cleaning with Panini cleaning cards and kits*

**Auburn, ME., May 4, 2011** – [Panini](#) is placing a [Waffletechnology® Check Scanner Cleaning Card](#) with each check scanner shipped from its North American Office. This awareness program is designed to remind [Panini Check Scanner](#) users of this easy to use cleaning tool that removes ink, paper dust, oils or other contaminants that accumulate from the environment and normal use within the scanner. Designed specifically for Panini check scanners, this product will help maintain the clarity of the check image and other critical components within the scanner.

“We are making sure all of our customers are aware of this effective [cleaning tool](#) and the [online cleaning instructions](#),” says Joe Sanders, VP Technical Services, Panini North America. “By inserting one card with each unit, we are being proactive in the maintenance support of our industry leading check scanners.”

“A little preventive maintenance can result in big savings for users on equipment or parts replacement,” says Debra Ross, Global Product Manager [KICTeam](#). “By teaching users [how to use this product](#), Panini shows a high level of commitment to supporting their check scanners well after the initial sale.”
